

**Dot to dot activities are a superb way to help children count, draw and problem solve.**

### What you need:

-  A pencil
-  Dot to dot template (pg2)

### What to do:

Follow the numbers, starting at 1, to connect the dots and create a beautiful sunflower picture!

**Don't forget to send us a photo of your creation! Upload it via our website or email it to [sunflowers@daltons.co.nz](mailto:sunflowers@daltons.co.nz)**
