

What you need:

- | | |
|--|--|
|  Egg carton |  Liquid glue |
|  Scissors |  Brown tissue paper |
|  Yellow paint |  Green paper |
|  Paintbrush |  White paper |

Step one

Use scissors to cut off one section of your egg carton and round the edge.

Step two

Cut from the outer edge towards the center numerous times. Try to space out your cuts somewhat evenly.

Step three

Press the resulting petals down to create your sunflower shape.

Step four

Paint your egg carton sunflower yellow.

Step five

Crumple up little squares of brown tissue paper and glue them into the center of your sunflower. (You can also use mini pompoms or even real sunflower seeds.)

Step six

Cut out some stems and leaves from your green paper.

Step seven

Glue the stems, leaves, and sunflower tops onto your white paper to create your sunflower art!
