

These fun play dough mats are a great learning tool
for number recognition and counting!

What you need:

-  Printable Playdough Mats
-  Paper
-  Laminating Pouches
-  Playdough
-  Sunflower Seeds

Step one

Print and laminate the playdough mats.

Step two

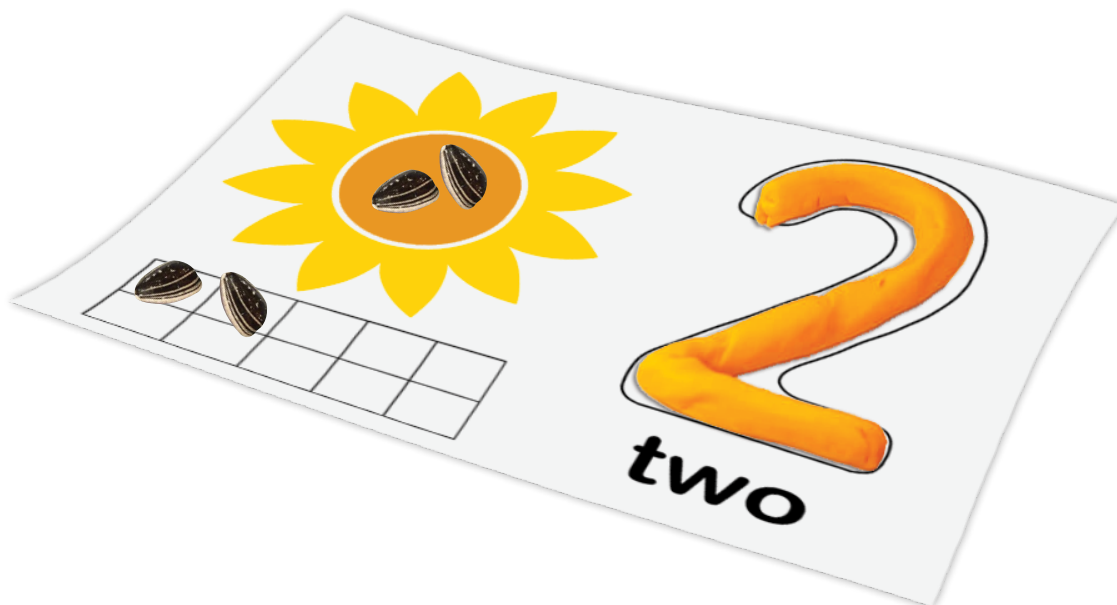

Use the sunflower seeds to count out the number on the sunflower and then again in the ten-frames at the bottom of the mat.

Step three

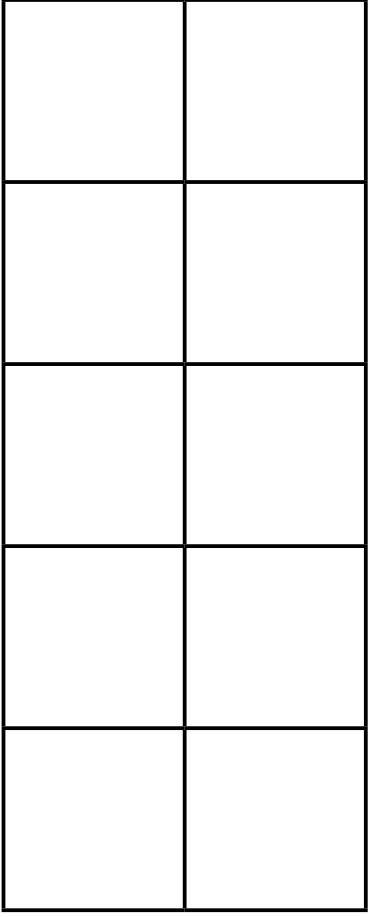

You can spell out the number word with the children and have them trace the letters with their finger.

Step four

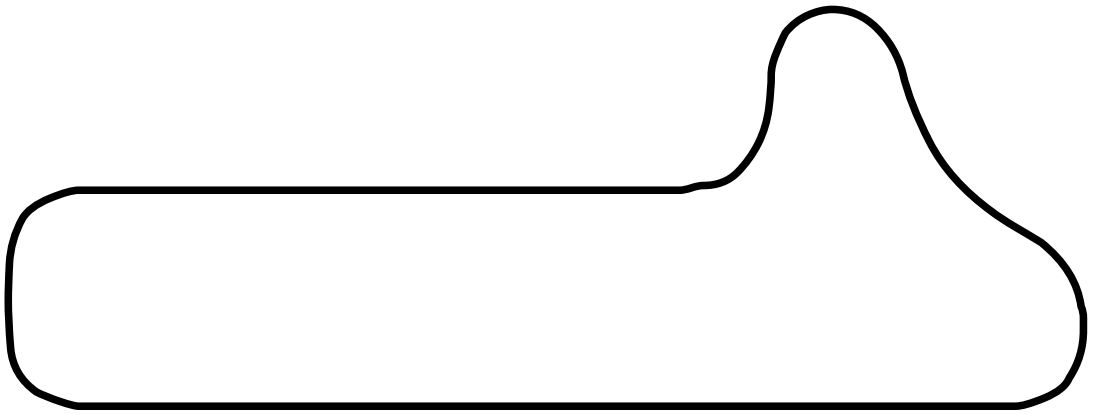

Then create the numeral with play dough.
