

Build your child's vocabulary with this easy activity.

### What you need:

-  Plain Paper
-  Coloured pencils (yellow, green and brown)

### Step one

Draw an outline of a sunflower leaving plenty of space in the petal and flower head.

### Step two

Write 'Sunflowers are' in the sunflower head.

### Step three

Now go through and come up with words that describe sunflowers. Write each one in a petal.

### Step four

Once all the petals are filled, use the words to create simple sentences.

Don't forget to send us a photo of your creation!
