

What you need:

-  Paint
-  Paint tray
-  Paper
-  Pegs
-  Cotton buds

What to do:

Try cotton ball painting for a new kind of paint project. The pegs reduce the mess and are easy for little hands to hold. The children can create a fun sunflower painting by simply blotting with cotton balls.

Don't forget to send us a photo of your creation!
Upload it via our website or email it to sunflowers@daltons.co.nz
