Section 9: Physical and Chemical Properties

Appearance	Green – brown liquid
Odour	No specific odour.
Odour threshold	No data available.
Bulk density	1000 – 1200kg/m ³
pH	No data available.
Solubility in water	Some solubility in water.
Melting/freezing point	No data available.
Boiling point	No data available.
Flash point	No data available.
Flammability	No data available.
Upper/lower flammability	No data available.
Vapour pressure	No data available.
Vapour density	No data available.
Relative density	No data available.
Partition coefficient	No data available.
Auto-ignition temperature	No data available.
Decomposition temperature	No data available.
Kinematic viscosity	No data available.

Section 10: Stability and Reactivity

Stability	Stable under normal conditions.
Conditions to Avoid	Avoid contact with foodstuffs, hands, eyes, and face. Avoid contact with other chemicals. Avoid excessive heat, ignition sources and open flames.
Incompatible Materials	Strong oxidizing agents.
Hazardous Decomposition Products	None known.

Section 11: Toxicological Information

No adverse health effects should occur if the product is handled in accordance with this Safety Data Sheet and the recommendations made on the packaging.

Ingestion	Ingesting large amounts of the product may cause nausea, vomiting and abdominal discomfort, and increase the risk of gastrointestinal complaints.
------------------	---

Daltons NZ Natural Liquid Seaweed

Skin	Contact with skin may lead to skin irritation.
Inhalation	Inhalation may lead to irritation or inflammation of the nose, throat, or lungs.
Eye	May cause redness or watering and lead to irritation or infection.
Toxicity data	No data available.

Section 12: Ecological Information

Ecotoxicity	Avoid unintended release into groundwater and waterways.
Persistence	No data available.
Degradability	No data available.
Mobility	No data available.
Bioaccumulation	No data available.
Other adverse effects	No data available.

Section 13: Disposal Information

Product disposal	Avoid excessive release into groundwater and waterways. Observe any local authority, national and regional restrictions that may apply. Dispose of the product according to these observances. Dispose of the empty packaging by placing into domestic rubbish or according to local authority instructions.
-------------------------	---
